INTENT TO ENROLL

Completing this form lets NSA West know that you are interested in sending your child(ren) to NSA West in Highlands Ranch, a Douglas County Charter school of choice.

I understand that submitting this form and/or touring the school in no way guarantees my child(ren) enrollment in NSA West, nor does it obligate me to enroll my child(ren). I understand that if the school is oversubscribed for any grade, NSA West will hold a lottery to determine enrollment. If accepted into NSA West I will have **48 hours** to accept or decline enrollment. Open enrollment ends January 15th. Should a lottery be necessary for the upcoming school year, it will be held on January 16th or the next business day following. I also understand that it is my responsibility to contact the school with any change to my information.
