Dear NSA West Families and Prospective Families –

The NSA West start up team has some great news to share! We are pleased to report that our financing proposal has been approved! As a result, we are on track for an August 2010 opening. Our location remains the same: 6161 Business Center Drive – the site we have been targeting since last year.

While there is much work to be done we are thrilled that our vision will soon be a reality that you can participate in. Over the next few months please continue to check your email and our website regularly for updates including information on registration for those families who have already been accepted in our October 2008 lottery, our new Parent Education Series, our new Core Knowledge preschool program, our Kindergarten lottery and upcoming volunteer opportunities.

In the meantime, please help us continue to spread the word and encourage your friends and neighbors to learn more about NSA (we will be offering additional parent informational meetings over the next few months).

If you have any questions we encourage you to contact us at info@nsawest.org or via our voicemail system at 303/471-6677.

Regards,

NSA West Startup Team
